1. Overview

Onboarding a strategic process of bringing a new employee to the organization and providinginformation, training, mentoring and coaching throughout the transition.

The process begins at the acceptance of an offer and successfully completing onboardingprogram.

Basically, there are 2 stages in the process

1. Pre-onboarding
2. Onboarding

2. Objectives

- Provides basic information, business & structure of the organization.
- Provides the knowledge on Policies & Processes of the organization.
- Facilitates the new employee's ability to contribute in the new role.
- Increases the new employee's comfort level in the new role.

`

4. Pre-Onboarding Process

This Process briefs about steps to be followed before Onboarding the candidates and ensuresthe pre-requisites are met as per requirement.

1. Documentation Mail
Kindly submit the necessary documents as indicated in the documentation mail. Upon completion, the company will issue a Letter of Intent to the selected candidate."

2. Letter of Intent Acceptance
The employee is required to confirm acceptance via email. The official offer letter will be sent following the employee's joining.

3. Completion of Onboarding Requirements
Please fill out the Employee Information Form in the provided Excel file. Additionally, kindly provide your acceptance of the Non-Disclosure Agreement (NDA) and return the signed document via email.

4. Document Submission and Onboarding Process
Employees are required to upload necessary documents, fill in personal information, and provide bank details through the My Bluethink Portal upon selection.

5. Introduction with the team
A welcome post for the new employee will be sent to everyone via email. The introduction will be facilitated by team members, including interactions with senior managers, the business head, and the directors of the organization.

6. Employee Procurement of Essential Office Assets
The employee is responsible for obtaining essential items, such as an office laptop, charger, and mouse, from the IT department. Additionally, they are required to fill out the necessary form for the issuance of equipment to ensure a smooth workflow.

5. Onboarding Process

On the D.O.J of the New Joiners, following formalities are executed:

1. Candidates are welcomed & made seated in conference room for Joining formalities.
2. New Joiners are briefed about company policies & procedures.
3. As part of the documentation process, the new joinee's are expected to fill all the required forms and directly upload in My Bluethink Portal well in advance, which will be further verified and approved by the HR Ops team.
4. Appointment letters will be issued to employees upon the successful completion of their 3-month probationary period and the submission of required documentation.
5. Necessary department credentials and their login credentials are handed over to New Joiners.
6. HR Team has to update the joiner's details in "Employee Details" Sheet so that Facilities team can provide access card & ID card for the new joiners.
7. IT team will hand over the system to the new joiners.
8. Post documentation, a brief HR Induction session is conducted with the new joiners by HROps team.
9. New Joiners are escorted to their respective seats & introduced to the team & manager.
